### FIRST DAY DRIVE \$900

The first day of the Wilmington Lions Eye Research Drive saw the largest single day's response in the five years the local Lions have conducted the campaign. Chairman John Murphy said today. The cooperation from the residents of Wilmington has been the best ever and the Lions hope that such fine cooperation will carry over to the Sunday coming, September 27.

A total of fifteen (15) members were out on the door-to-door canvass last Sunday and they will be back in action this Sunday. The drive will end on Sunday, September 27.

If you were not home when the Lions visited your home area, please feel free to contact any Lion and he will be very willing to deliver a \$2.00 Bag of Bulbs to you.

Mr. Murphy described the first day's response as most gratifying. "We are very happy with the way our drive has been accepted so far," he said. "People who purchase our bulbs are getting a full retail value for their money and at the same time are making an important and badly needed contribution to the work of eye research, which is our hope if blindness is to be conquered."

Participating in the drive last Sunday, were: Joseph App, David Bergstrum, Arthur Boudreau, John Cuoco, Al DiCampo, Frank Hagerty, Webb Hall, Fred Kleynen, David Landers, Robert Lawrence, James McCue, John Murphy, Mel Southmayd, Bill Tanner, Tony DeLuca, and a guest, James Farrell.

If your area has not been covered, the Lions will be there this Sunday, September 27. YOUR EYESIGHT IS PRECIOUS - GUARD IT WELL - BUY A BAG OF BULBS.

The sudden death of Claire Thibeu at 31 has left the town shocked and saddened.

In the prime of life, mother of four children and the wife of our Public Health Agent Patrick Thibeu, her demise has left an ache in the hearts of our townsfolk.

Our sympathies to Pat Thibeu, who in the midst of great sorrow could take time out to thank the town for showing how much they loved Claire.

God's will be done.

## TALK OF THE TOWN

By HANK FILIPPONE

A sight that gladdens the heart of this paper is that of our much loved George Spanos greeting the shoppers at the DeMoulas Shopping Center. Doing the job he knows so well, George has been handing out balloons to hundreds of children and greeting all who come by to buy---a salute to Mike DeMoulas for keeping George happy.

GRAVEL TRAVEL NEARLY UNRAVELED--or at least our new T.M. has made the first step towards getting together with Campanella and Cardi Company in an effort to solve the problem once and for all. Acting upon a sensible suggestion from Principal Tax Assessor Stanley Webber, T.M. Lancaster offered certain privileges for gravel for the C & C Company, in return for which they would lay some curbing on certain streets, grade off certain existing eyesores, resurface certain streets and when through, turn over title deed of the property they are now working on over to the town. This offer has been made, it is now up to C & C to either go along with it or not. The solution is logical and sensible, the only catch being that it is now too late, probably, and may be refused. One thing is certain: we at least have a town manager who will listen and act upon a problem, regardless from whom the suggestion comes from. A salute to Stan Webber for some down-to-earth thinking, and a salute for T.M. Lancaster who was smart enough to see the logic of it. It looks like your town is in good hands!

EVERYBODY IS TALKING ABOUT A NEW POST OFFICE in the Wilmington Plaza. A suggestion from this paper a few weeks ago that the sensible place to have the post office would be in the Wilmington Plaza where there is adequate parking space and a natural proximity to shoppers, has taken hold like wildfire and people almost expect to see the P.O. there soon. This paper is heartily in accord with the idea, the rest is up to you citizens to contact your proper authorities. Tell your Selectmen.

THE NEW GLEN ROAD SCHOOL will be opened sometime in latter October or early November, this paper has learned. Now that the roof is on, the weather will not hamper the workmen and work will hasten on.

UNCONFIRMED REPORTS have it that a large appliance discount house will be moving to the Wilmington Plaza soon---George Spanos wants to thank all the folks for being so nice to him---IT WAS good to see Ray Dewhurst on his motorbike again IT IS good to see NICKY DE FELICE acting like the NICKY we used to like so much, arguing whether he is right or wrong, but at least trying---JUST WAITING for the WILMINGTON LIONS HARVEST BALL at the ANDOVER COUNTRY CLUB, Friday October 9 and will I see you there?---SPEAKING OF BALLS, just whatever happened to the MILITARY BALL that the VFW used to hold?--WILL YOU please by a bag of bulbs from the LION who comes to your door next SUNDAY?---

OUR OFFERING FOR THE WEEK---twenty years ago, lots of people used to dream about getting the wages they can't get along on today!

# \$6.00 REGISTRATION FEE

Registrar of Motor Vehicles, Clement A. Riley today announced that the legislature has enacted and the governor has approved a 'flat fee' for registrations of certain vehicles effective beginning January 1, 1960 and thereafter.

A fee of six dollars (\$6.00) is established for all passenger cars, all motorcycles and all automobiles of the semi-passenger type. (Beach Wagons, Station Wagons, etc.)

This does not affect the three dollar (\$3.00) fee for automobiles and/or trailers owned by any political subdivision of the Commonwealth which remains the same.

The special provisions of the law relating to the registration of trucks, semi-trailer units, taxicabs, busses, and livery vehicles, and vehicles requiring special fees remain the same.

## Meet our Global thinkers

The Globe has a world of them. Start with columnists like Walter Lippmann, John Harriman, Harold Kaese. Or political correspondents like Robert Healy in Washington. There's Dorothy Crandall to help you explore the woman's world, and Josephine Lowman to give you hints on health. Frances Burns tells you what's new in the world of medicine. Ian Forman and Ian Menzies show you what's happening in education and science. And don't forget the wonderful world of funnies. Of course, there's Uncle Dudley, too, with his uncolored, uncluttered editorial discussion. The Globe has so many, many more topnotch men and women; all of them with but one thought in mind: to bring Globe readers the whole world in all its breadth and scope. Daily and Sunday, get to meet our Global thinkers. Take a good look at your Globe.

RUTH BOUDREAU, OL 8-2239

There will be a rummage and white elephant sale sponsored by the women of St. Dorothy's Parish at the hall on Saturday September 26, from 11 A.M. to 7 P.M.

A Food Sale will also be featured. Many useful articles of clothing, jewelry, bric-a-brac and toys have been donated.

The Silver Lake Betterment Association will hold its monthly card party, Monday night, September 27 at Betterment Hall.

Mrs. Leo O'Connell, chairman, has a fine group of prizes to be awarded to the high scorers. Party time is 8:45 p.m. and refreshments will be served.

The whist party held by the American Legion Auxiliary last Wednesday night was very successful. A group of more than 40 played the game, and penny sale which followed.

Winner of the door prize was Mrs. Marie Reynolds, of Mesa, Arizona, who is visiting with her family, the Bradleys.

First three prize winners of the whist were: Pres. Rose Zwicker, Louise Thomas, & Mary White.

Delicious refreshments were served following the party.

In charge of the affair was Sec. Joan Sullivan, and it has been announced that they will conduct another party the third Wednesday of next month.

Remember, the vets at the Bedford Hospital benefit from the funds derived from these parties.

The Wildwood Parents Club, of the Wildwood School, will hold their annual 'Welcome Supper' on Monday, September 28 at 6 p.m. at the school.

Membership tickets entitle both parents to the supper and to attend any meeting of the year.

A Parent-Teacher Conference will be held between 7-8 p.m. and this is your opportunity to meet your child's teacher.

Menu will consist of baked ham, beans, potato salad, cole slaw, coffee roll, cake and coffee.

Tickets will be available at the school, so plan on attending. Chairman of the affair is Mrs. Eleanor Jones.

Pres. Rose Zwicker, of the American Legion Auxiliary has joined the Middlesex County Installing Suite.

It is nice to know that the local Auxiliary will be represented at installations when this suite will have the pleasure of installing the new officers of various units in surrounding communities.

May we welcome Mr. and Mrs. Joseph Serafini and their family of 911 Main Street to our town, and hope they enjoy their new residence.

A3/c Raymond Boudreau, son of Mr. Clement Boudreau of 1 Cook Ave., and yours truly is enjoying a 20 day furlough from his duties in Shreveport, Louisiana.

The American Legion Auxiliary Auxiliary wishes to thank all who donated gifts and monies for the veterans at Bedford Hospital for the Xmas gift project.

All members and friends who desire to contribute, please contact Mary White of Beacon Street.

## THE OTHER DAY

We heard some facts about Egyptian mummies, and made some notes on the lesser known information which we thought you'd find interesting.

As you know, the Egyptians were preserving their dead long before many other parts of the world had reached a civilized state, and they had it down to a science.

For example, the soles of the feet of mummies, when unwrapped after as much as 3000 years, were still soft and elastic.

Historians estimate that by 700 A.D., when the practice had died out among them, the Egyptians had embalmed approximately 730 million bodies, almost one third as many people now living in the entire world, or more than thirteen times the number of all the people now living in the United States.

Of course many have been destroyed, or over the centuries disintegrated in the tropical heat of northern Africa, but several million are estimated to still be preserved in undiscovered tombs and and burial places.

It is our job to provide you with a car that will stand up under today's conditions and traffic, and then to preserve it for you so that you can enjoy its use over a longer than normal period. And this is the job that we've got down to a science .... and we do so for you most economically.

## WILMINGTON COMMUNITY FUND DRIVE

The Wilmington Community Fund will start their house-to-house campaign on September 25 and continue until Friday, October 9.

It is hoped that all persons will contribute to this drive as well as they have done in the past.

A point that should be stressed, is the fact that almost all children in Wilmington benefit from this fund. Wilmington stands alone in this project, and if we were to join a neighboring community, the benefits would not be so great, neither would there be as many.

To mention a few of the organizations that derive benefits from the Community Fund: Boy Scouts, Camp Forty Acres, Dental Clinic, Girl Scouts, Girl Scouts Day Camp, Mildred Rogers Charity Fund, Little League, Youth Canteen and Skating Club.

The money collected in Wilmington is USED in Wilmington.

## DRAINAGE PROBLEMS TACKLED BY SELECTMEN

At the meeting of the Board of Selectmen last Monday night, the problems of drainage caused by the construction of Route #93 were reviewed with John Steele, State Engineer of the DPW.

Mr. Steele, invited there by T.M. Lancaster, heard Frank Hagerty explain the gravity of the water situation that can probably come about if action is not taken now. Hagerty stated that the natural drain is bottled by the new road and in one area may back on to our water fields, causing an unhealthy situation. Kidder stated that he was amazed to see from the air the many spots of lowlands that now had water with no way of draining off.

Mr. Steele noted all the problems and left after making arrangements with Kidder to meet yesterday morning and inspect the areas in question.

Shown above are Mr. and Mrs. Albert Spaulding who celebrated their 25th wedding anniversary at a surprise party held at their home on Veranda Avenue, Wilmington last week. A large gathering of friends were present. (W.C. Photo by Chas. Dolan)
